Corrective Cupping (if needed)

Auricular treatment

Tongue & Pulse Diagnosis

PEMF Gemstone Infrared Heat Therapy that speeds up healing (if applicable)

Infrared Light Therapy (if applicable)

Aromatherapy

Therapeutic TCM Yoga, Acupressure & Nutrition Guidance

Re-Exam at 12th Visit

*Functional Health Report Consultation

** Suggest an add-on of a blood panel for a Functional Health Report, you pay lab directly and we assess findings and give nutritional corrective care.

** If new patient, this program does not include initial consultation fee.

** May Add More Than One Procedure (i.e., Two Sides) For An Additional Fee

Sessions must be used within the 12-week period, no sharing sessions between family and friends. We are in network with Valley Health Plan insurance. This insurance may cover acupuncture treatments, check your insurance for details of your coverage. We take HSA and FSA payments and can provide superbills for out-of-network insurance. After the initial program, additional continue-your-care programs are available to maintain the momentum and continue suggested monthly wellness tune-ups.
